Disclaimer: Funds received through the Minnesota FFA Foundation's Star Partner program will be used to meet the costs associated with the mission of the Minnesota FFA Foundation. Any funds raised in excess of special projects, convention or conference costs will be used to accomplish the mission of the Minnesota FFA Foundation. It is the mission of the Minnesota FFA Foundation to provide resources that promote and enhance premier leadership, personal growth and career success for Minnesota youth enrolled in agricultural education. This program provides businesses, associations, other foundations and individuals the opportunity to support FFA and partners of Minnesota Team AgEd through special projects of the Minnesota FFA Foundation. Sponsorship recognitions by the Minnesota FFA Foundation do not constitute an endorsement of the Foundation of the products or services of the sponsoring company, organization or individual.

Thank you for helping ensure a sound financial future for Minnesota FFA chapters, agricultural education programs and other partners of Minnesota Team Ag Ed. The Minnesota FFA has combined youth, agriculture and leadership to form well-rounded young people who possess these positive life skills necessary to excel. Many will pursue higher education through scholarship opportunities afforded through the FFA, while others will become productive citizens in their local community. Whatever the path, you can be proud that you helped make it possible, not just for today, but for future generations of Minnesotans. When you are proud of something you want to share it - we are proud of our Minnesota FFA and appreciate you joining our efforts by making an investment that is guaranteed to grow.

A Special Project of the Minnesota FFA Foundation
